As a result of the valuable input gathered from our community members, there was a strong desire to provide musical instruction opportunities for our students. These initiatives will begin in the 2024-25 Fiscal Year. To meet this need, we will be offering music instruction for a minimum of 15% of the school year. This will be implemented weekly music lessons, ensuring that all students have regular and consistent access to high-quality music education. By incorporating these music lessons into our curriculum, we aim to enrich our students' educational experience and foster their artistic development.
