

## HEALTHY SCHOOLS ACT OF 2000

Notice to all students, parents/guardians and employees of the Graton School District:

Education Code sections 17608 et seq. requires, among other things, that school districts notify parents and staff about the use of pesticides at school. The purpose is to reduce exposure to toxic pesticides through information and application of an integrated pest management system at schools. Towards this end, and pursuant to the requirements of this legislation, please be advised of the following:

The Graton School District expects to use the following pesticides at its campuses during the upcoming year:

Pesticide Name	E.P.A. Reg. Number
CY-Kick CS/Whitmire MKRO-Gen	499-304
Dragnet/SFR/FMC	279-3062

Parents/guardians of the Graton School District can register with the District's designee, Wendy Williams, to receive notification of individual pesticide applications by calling 209-632-0505. Persons who register for this notification shall be notified at least seventy-two (72) hours prior to the application, except in emergencies, and will be provided the name and active ingredient(s) of the pesticide as well as the intended date of application.

If you wish to access information on pesticides and pesticide use reduction developed by the Department of Pesticide Regulation pursuant to California Food and Agricultural Code section 13184, you can do so by accessing the Department's web-site at [www.cdpr.ca.gov](http://www.cdpr.ca.gov).

## **Model Notification of Rights Under the Protection of Pupil Rights Amendment (PPRA)**

PPRA affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right for parents of minor students to:

- A. Consent before students are required to submit a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED):
  - 1. Political affiliations or beliefs of the student or student’s parent;
  - 2. Mental or psychological problems of the student or student’s family;
  - 3. Sex behavior or attitudes;
  - 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
  - 5. Critical appraisals of others with whom respondents have close family relationships;
  - 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
  - 7. Religious practices, affiliations, or beliefs of the student or parents; or
  - 8. Income, other than as required by law to determine program eligibility.
- B. Receive notice and an opportunity to opt a student out of:
  - 1. Any other protected information survey, regardless of funding;
  - 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screening, or any physical exam or screening permitted or required under State law; and
  - 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.
- C. Inspect, upon request and before administration or use:
  - 1. Protected information surveys of students;

2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the education curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

**Gratton School District has developed and adopted** policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. **Gratton School District** will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. **Gratton School District** will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. **Gratton School District** will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. The following is a list of the specific activities and surveys covered under this requirement:

1. Collection, disclosure, or use of personal information for marketing, sales or other distribution.
2. Administration of any unprotected information survey not funded in whole or in part by the Department of Education.
3. Any non-emergency, invasive physical examination or screening as described above.
